

Ill considered is a group of musicians interacting with each other to create freely improvised music, based loosely around simple pre-written themes or composed on the spot. Deep grooves and plaintive melodies ranging from whispered chants to monstrous climaxes, the group react to the mood of the audience and the sonics of the room to create music that is unique to the moment.

Line up:

Idris Rahman (Saxophone)

Leon Brichard (Bass)

Emre Ramazanoglu (Drums)

Anselmo Netto (Percussion)
